Mission Statement & Philosophy:

- Founded in October 1983, Chickee's Dance World continues to provide a comfortable atmosphere for our students and parents, we are approachable, and we make dance fun and enjoyable. Our goal is to offer every athlete the best instruction in a well-organized, safe, and fun-filled controlled learning environment. Our program exists to provide every participant a chance to succeed through the development of long-term life skills such as confidence, perseverance, a love of movement and a sense of accomplishment in his/her abilities. We believe strongly in team unity, sportsmanship, goal setting, respect for others, self-respect, and the development of a strong work ethic.

Registration:

- It is important that all students and/or parents – whether returning or new - fill out and sign your electronic registration paperwork so we can ensure we have the most up-to-date contact details for you. Returning members can login into their parent portal to update this information. This information includes your registration; media release form, public liability/ insurance contract and COVID – 19 Release.
- Our annual registration fee is \$15.00 per student/ \$40.00 cap per family and must be paid in full prior to the commencement of classes. Make sure you get your payment in via Credit Card, Cash or Check as failure to pay your registration fee in time may result in losing your place in class.
- We encourage all our students and families to try a variety of dance styles and we are more than happy to accommodate trial classes for existing students who want to try something a bit different. Please contact cdw4dance@outlook.com if you would like to try a new class and we will happily schedule a quick meeting and fit you in for a trial (provided the class has not reached capacity).

Contingency Plan:

- In the unlikely event that Chickee's Dance World should close its physical doors due a state mandated shut down, CDW will immediately open its Virtual Classroom and resume all classes through Zoom. Should this occur it is imperative that you continue your child's dance schedule in a normal fashion.
 - Should you choose to drop your dancer's class during this time, you will be responsible for that month's tuition. If you choose to re-register, there will be a registration fee of \$15.00 and no guarantee that there will be room in the class due to a waitlist and limited class sizes.

Age Divisions:

Please note, CDW uses these age divisions as a guideline. Our experienced staff will decide if a dancer should work with a different division based on experience and ability.

Itty Bitty Movers (16 Months – 24 Months): Our Itty Bitty Movers are our youngest group of dancers who will explore imagination, sound and creative movement while working on motor skills and developing relationships with their teacher and other Itty Bitty Movers! Parents do not participate. This is an independent class.

Pre – School Tots (2 Years – 3.9 Years): Our Pre – School Tots are our most popular group of Dancers. Dancers begin identifying different areas of dance in a creative and engaging way. Dancers are given freedom to express themselves through movement while being guided by their teacher. Students move across the floor, participate in circle time and line up. Music is high energy, fun, appropriate and to make learning even that much more enjoyable!

Tiny Tykes (4 Years – 5.5 Years): Our studio stands apart from others when it pertains to the instruction of our Tiny Tykes. We have a unique understanding of the special care necessary to have a successful and enjoyable experience. Dancers are given the opportunity to explore many areas of dance. Dancers take direction and learn proper technique while having fun! Our stress-free attitude provides more than the right atmosphere for individuality and creativity.

Mighty Minis (5.5 Years – 7.9 Years): Dancers are encouraged to explore their own movement along with instruction from their teacher. Our teachers introduce proper technique, execution, memorization, connection and provide a comfortable atmosphere where the children can ask questions and share their experiences.

Primary (7.9 Years – 9.9 Years): Beginner/Advanced Beginner: We develop technique and knowledge in all aspects of dance along with self-confidence and motivation necessary to insure a happy, satisfied, and successful exploring athlete.

Secondary (10+ Years) Advanced Beginner/Intermediate: Classes in our Secondary Program are more concentrated and intensive. Dancers work and condition improving technique and execution creating an all-around dancer. Teachers create a positive, high- energy learning experience.
