Notes About Appearance:

All Information regarding your dancer's appearance is located on the card in the left hand pocket of the garment bag sent home with your dancer!

Recital = costumes! Make sure your dancer is fully dressed in their costume upon arrival. This means costume, accessories, tights, shoes and headpiece. Please refer to directions that were handed out with the costume for specifics. ****Remember some of your kiddos will have multiple costumes for their multiple routines!****

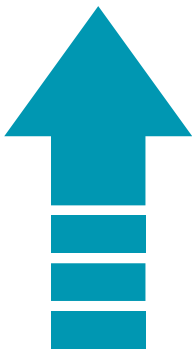

****Should your dancer have multiple routines please dress them in their first costume and put the other costumes in their LABELED garment bag or LABELED hanger. Please LABEL inside the costume, shoes and bag!****

Hair: Hair must be sprayed down and in the style that was given you when you received the recital costume. Secure the headpiece (if there is one) down with bobby pins.

Make - Up: A little make-up for our babies is necessary so the lights do not wash their faces out. So a little blush and a little eye shadow (no 70's blue) is okay. For the older dancers, foundation, eye shadow, mascara or fake lashes, blush and lip stain with a gloss. If you have reservations about using make-up, this is just a suggestion, not mandatory.

SCROLL UP FOR TUTORIALS!
